1	From The Secy to the Govt of Mysore F. 46 GA (III) W 39 dated 29th Sept. 41 requesting that arrangements may be made for periodical local audit inspection of the training centres situated in the Mysore State by the Comptr to Govt. (1) The following are the training centres situated in the Mysore State. (1) Engineering College, Bangalore. (2) C. I. Workshop " (3) Govt Electric Factory " (4) Iron & Steel Works. Bhadravathi. (5) Mysore State Ry Workshop. (6) Bangalore Woollen, Cotton & Silk Mills. (2) Excepting the last centre, all the other institutions are under Govt control. It is for orders whether the proposal may be agreed to. The Labour Dept has stated in their letter that separate ~~letters~~ orders will issue in regard to training centres situated in Indian States and the Residency have requested that arrangements may be made by the Comptr to Govt. Excepting the last centre, which is a private Co, in the case of the other institutions perhaps the inspection may be arranged for. There is also a proposal for the scheme being undertaken in the K. G. F. Workshops but the sanction of the G. G. in Council to the application of the scheme to the above Workshops has not been received so far. It may not be possible or desirable for the Comptr to inspect such private concerns. Submitted for perusal and orders. (3) We may perhaps agree, so far as institutions under this Govt. are concerned.
